

Attention Moscow Families!

MSD 281 is offering

## Active Parenting Classes!

*What:* Active Parenting

Active Parenting Publishers has provided award-winning, video-based parenting classes for helping professionals since 1983. Our evidence-based programs cover topics including parenting programs, step parenting, divorce, school success, and character education. Explore the site for programs that offer new ways to help families survive and thrive in our changing world.

<http://www.activeparenting.com/>
